Shruti is transmitting the story through a series of flashbacks. "Barfi! Movie averaged 8.1 out of 10 on IMDB out of a total of 75,791 votes. FOUR STARS!!!! For now! Peneflix When you see pellets with subtitles. the is clever. "Because you can ! "Next summer a lot of Russian excitement with Barfi the Chalu Chaplin! Bollywood keeps holding on, fighting for a piece of Western cinema pie and this lovely story should grace its fair share; if only audiences did not shy away from this genre that has captivated eastern viewers for days. please write a unique email to [email protected] We hope you have a good time on FshareTV and that your language level will improve very soon! Director Anurag Basu has produced a charismatic gem; sometimes silly, tearful, but always wise and sharp; a conclusion no less than typical and more realistic; a genuine and happy fantasy that endures long after the final credits; happiness, what can you ask for, or need a skin? Barfi falls madly, passionately, in love with Shruti (Ileana D'Cruz's wonderful and heartfelt performance), whose next quasi arranged marriage presents a huge obstacle in the development of their relationship. Her shenanigans will make you scream, but I'll never hear you. Priyanka Chopra gives a unique performance worthy of the highest accolades no sensationalism encapsulates the typical symptoms of the autistic individual: fear of the touch, lack of visual contact, uncontrollable movement, nervous, depressed; living in an enigmatic world that allows no entry, no confidence.
